Re: Robin Cilimberg Performance

I am writing this letter to inform both of you that you have valuable access/personnel in your company. I have been working with Robin Cilimberg since 2011 regarding leased and purchased copier machines, as well as dealing with any issues that come across. I am amazed and grateful of her performances how professional manners and quickly resolved issues she presents. In addition, Robin has a high work ethic, professionalism, great communication, and excellent customer service skills.

PS: Since 2011, Prince William Health District has continued doing business with Virginia Business Systems by leasing 5 and purchasing 3 copier machines respectively because of Robin's sales performance. We continue considering to either lease or purchase copier machines once the current leased contracts are expired.

Please continue recognizing Robin Cilimberg's great performances.

Sincerely,

Juntima Silaasna | Fiscal Assistant
